

How to Apply to the M.A. in Performance Studies at Texas A&M University

- Complete the ApplyTexas Application form. This form can be sent to as many Texas universities as you wish, but to only ONE department at each university. Have a credit card ready to pay the application fee, or you may indicate you are going to mail a check/money order. This application is available at: <http://www.applytexas.org>.
- One section of this application includes a personal statement (Essays portion). We strongly encourage you to explain why you are applying to the M.A. Program in Performance Studies and what prepares you for this field of study. Give us as much information as you can about what areas of the field you wish to study, any faculty member(s) you have identified as a potential mentor (or mentors), and why you selected these areas and individuals. For more information on our areas of strength and faculty, visit our website at: <http://performancestudies.tamu.edu>.
- Forward transcripts from all institutions of higher education you attended including part-time attendance. Most institutions can send these electronically to TAMU. However, some smaller schools, and those outside of Texas may not have this ability. In such cases, request the registrar of the institution to send the transcript directly to:
