Advisor notes:

=========================================================================
Design your independent study in consultation with your faculty director and provide a complete description below. Use additional sheets if necessary. This portion of the application must be typed. A bibliography (or equivalent) and timetable are required. A TAMU faculty member must sign the application prior to submission to the Department of Performance Studies Head for approval or denial.

Project title:

Abstract (description of project):
What are your goals for this project?

What will you submit to your faculty director for evaluation?

What criteria for grading will be used?

What are your expectations for contact hours with your faculty director, amount of reading or other related activity, and time commitment per week?

The following attachments are required:
- bibliography, video list, discography, or other relevant material to be covered
- timetable for work to be accomplished

_____________________________________________________
Faculty Director                                      Date
